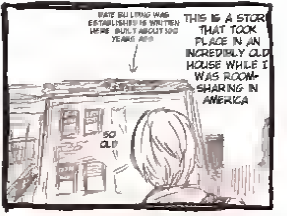
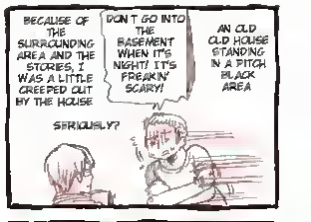
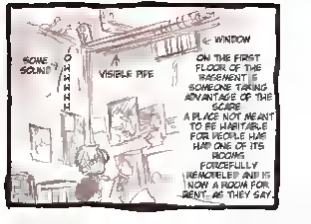
Jeepers! Also Red Herring did it.



THIS IS A STORY THAT TOOK PLACE IN AN INCREDIBLY OLD HOUSE WHILE I WAS ROOM-SHARING IN AMERICA
SO OLD
"DIM."
"DAAAARK"
DUE TO THE HOUSE BEING PRETTY FAR FROM THE STATION AND THE CONSTRUCTION IN THE AREA, THE AREA SURROUNDING THE HOUSE IS PITCH BLACK AT NIGHT
WENT DURING NIGHT TIME



BECAUSE OF THE SURROUNDING AREA AND THE STORIES, I WAS A LITTLE CREEPED OUT BY THE HOUSE
DON'T GO INTO THE BASEMENT WHEN IT'S NIGHT! IT'S FREAKIN' SCARY!
AN OLD OLD HOUSE STANDING IN A PITCH BLACK AREA
SERIOUSLY?



WINDOW
SOME SOUND
OHHHH
VISIBLE PIPE
ON THE FIRST FLOOR OF THE BASEMENT IS SOMEONE TAKING ADVANTAGE OF THE SCARE
A PLACE NOT MEANT TO BE HABITABLE FOR PEOPLE HAS HAD ONE OF ITS ROOMS FORCEFULLY REMODELED AND IS NOW A ROOM FOR RENT, AS THEY SAY.

WHAT? SO YOUR ROOM'S IN THE BASEMENT, MATSU?
YUP! I LIVE IN THE BASEMENT!
EEZ
MAN, YOU DON'T KNOW HOW MUCH TROUBLE IT IS WHEN...
"THEY" COME OUT INTO MY ROOM!
TH- THEY... COME OUT? WHO'S "THEY"?
AHH
AH, COME ON! IT'S BASEMENT: YOU SHOULD KNOW "THEY" LIKE TO HAUNT PLACES LIKE BASEMENTS!
WHY DON'T YOU GUYS DROP BY MY ROOM LATER ON, IF YOU FEEL LIKE IT.
YOU WON'T BELIEVE IT WENT THEY COME OUT AND HAUNT MY ROOM!

That night.

HUH. MUST'VE BE TOUGH TO GET TO THE TOILET HE-
BA-NG
THE BASEMENT'S PITCH BLACK. I REALLY FEEL LIKE SOMETHING'S GONNA COME OUT!
DUNKIN'
IT'S COMING FROM OVER THERE!

CRICK

BANG
BANG
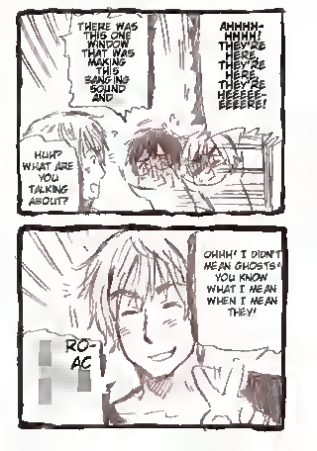
MATSU'S ROOM THIS WAY
TH-THEY'RE HEEEERE !!!



THERE WAS THIS ONE WINDOW THAT WAS MAKING THIS BANGING SOUND AND
AHHHH-HHHH! THEY'RE HERE! THEY'RE HERE! THEY'RE HEEEEE-EEEERE!
HUH? WHAT ARE YOU TALKING ABOUT?
OHHH! I DIDN'T MEAN GHOSTS! YOU KNOW WHAT I MEAN WHEN I MEAN THEY!
RO-
AC

Later on we all evacuated and set off 10 Japanese made Varsan fumigation insecticide containers

Even though now I think the BANG BANG noise was a human act, if it was someone banging on people's houses as hard as they could then this becomes a story about the public order being scary in America ..*

*Rough translation

>Varsan even works on ghosts

It does?!

What made me think that America's ghosts are showy are when the people talk to ghosts in America s ghost TV shows

The ghosts seem to respond rather well in conversations

"Who are you?!"

"John.. "

"What are you?!"

" .A bartender.. "

That's how the conversation usually goes

Also I'm really surprised by how much ghost photos. which I used for a joke a long time ago.. in America have ghosts that may as well have a "Look at me! I m here!" sign on them

I think I d like to learn a little from the gramp s dign-fied manner of not appearing ethereal in the middle of the photo but appearing solid on the side "

"Again rough translation
